We continue to grow our market share by finding ways to increase quality, speed and frequency of product innovation. We’re also growing through acquisitions in adjacent industries, including bus, cargo and equestrian trailer, marine, rolling stock and heavy truck.

Diversifying our customer base is one key to our growth and stability. Every year we make strategic acquisitions in adjacent markets, and we will continue to look for excellent companies with outstanding people and products to help us expand inside and outside the RV business.
From awnings and chassis to electronics and mobile apps, LCI supplies a wide array of premium components to a variety of industries.
Local Entrepreneurial Leadership

LCI understands and respects the importance distinctions between its geographic markets and is committed to managing its businesses via local, entrepreneurial leadership and becoming the most responsive and most customer-centric supplier to our OEM and Aftermarket partners.
Making Lives Better

The driving force behind of LCI’s strategic initiatives is expressed by the company’s Core Values:

- We are passionate about winning
- We believe in team play with trust
- We believe honesty, integrity and candor are the best ways to do business
- Positive attitudes create a better business
- We care about our people, and EVERYONE MATTERS to LCI.

Shouldn’t you treat your employees like you would treat your own children? At LCI we believe that our commitment to our employees builds a better working environment, and a better community. Our employees are encouraged to give their time to philanthropy efforts in the communities we serve. Thus, wherever LCI operates, we are dedicated to making a positive difference in the lives of its employees, their families and their communities.

Strong International OEM Relationships

In addition to the continuous improvement and innovation required to become and remain “best of class” in every one of its product categories, LCI’s success is fueled by new opportunities that arise from its OEM relationships. OEMs know that LCI is the supplier they can count on with the financial and human resources to help develop any new idea in any product category.
